Dana DeArmond & Brooke Scott *Slutty Maid & Lonely Wife*

Brooke always got what she wanted. She was young, hot and recently married to one of the richest men in the city. She didn't have to work for a living and all that time spent alone at home made her mind wander. The person she saw most every day was her maid, Dana. The sexy mother of two was recently divorced and a real turn on, especially since she insisted on always wearing a tiny French maid outfit around the house. It was also obvious that she had experience and it made Brooke's slit ache with lust. She looked like a delicious whore and Brooke knew what she wanted now. She wanted to spend an entire day fucking around with Dana, her slutty maid.

Brooke was in luck. As she soon found out, Dana was a bit of a secretive, scheming slut and everything she had ever done, including the outfit, was to seduce the sexy little blonde. She even planned to have the gardener and cook join in on their romp.

Dana's life had fallen apart after her divorce and it was just now that she was starting to enjoy it again. She wanted to live out all of her fantasies and a group fuck with Brooke was on top of her list.

It wasn't so much that Dana wanted to fuck Brooke herself, but that she wanted to touch her boss's naked, smoking body and watch it be split open by one of the biggest cocks she had ever seen.

Dana liked to get kinky and seeing Brooke's tight, young holes get stuffed while she rode her own solid shaft was more than she could handle. The sound of Brooke's squeals made her pussy drip with desire.

From that moment on, Dana decided to do everything with Brooke, and Brooke agreed to share everything with Dana. Can you handle these two firecrackers?

Sandra Romain

Bored and Horny

Sandra was bored. She was bored with work, her husband, her kids and her sex life. In fact, the last thing on that list was almost non existent. She had married her man because he was well hung, he knew how to use his tools and he would fuck her sore every night, sometimes more than once. But ever since he got promoted at work, the stress and long hours started to eat away at their bedroom fun. Sandra was horny and she hadn't cum in weeks. If she wanted to relieve her own stress, she had to get creative. She had been anything but a good girl in her single days, so she went through her little black book and called up two of her favorite cocks.

Luke had always been Sandra's ultimate bang and after so many years apart, she wanted to start their fuck adventure by reminding him what he'd been missing. Her snatch was freshly shaved for the occasion.

text

Sandra loved getting humped doggy style. She had to finger her clit while he pumped into her juicy cunt.

Sandra's body was as smoking as ever, and her tits were just as perky as they had been when she was twenty. She changed positions to give her lover a better view, and allow him to taste them..

Perfectly timed, Donny came in just as Sandra was getting off of Luke's cock. He was surprised but she looked so wet and smelled so good, he couldn't resist. Sandra relived her high school days by sucking and riding at the same time, even offering anal. She was no longer bored.

A woman with dark hair, wearing a purple fishnet top, is performing oral sex on a man. She is looking down with her mouth open, and a small amount of white liquid is visible on her tongue. The man's penis is visible, and she is holding it with her hand. The background is blurred, showing an indoor setting.

Sandra's always looking to experiment
with her pussy, can you help her out?

I was so pissed off with Paul chatting up other girls and generally ignoring me, that I stormed out of the nightclub and into the lesbian hang-out down the street.

I wasn't exactly sure what I had in mind, other than getting away from and maybe getting back at the ignorant guy somehow. But when a big, pushy bull-dyke grabbed me at the bar and pulled me out onto the dance floor, I quickly realized that there must be a better way of going about things.

"No thanks!" I yelled, dipping out of the woman's burly arms and grabbing onto the nearest girl. "I've already got a dance partner."

The buzzcut dyke in the plaid shirt and nylon workpants looked at the little blonde I'd latched onto, and snorted. "She won't mind me cuttin' in, will you, honey?"

The petite girl with the bobbed hair, clad in a red velvet dress, answered back loud and clear, shocking both me and butch. "Yes, I mind! Find your own bitch!"

Before I could even snap my gaping mouth shut, the blonde had gripped my hand in her little hand and dragged me across the dance floor and right into the washroom. She pushed me into a stall and shot the bolt, shoved me up against a green metal wall.

I began to wonder if I'd overplayed my hand.

She pinned my shoulders back and stared at me, her large blue eyes gleaming behind her dark-framed glasses. Her skin-tight

HOT TO TWAT

dress showed off all her curves, her nipples punctuating the sexy slip of a garment.

"I-I was only kidding. You see, I'm not even into-"

She slammed her hot, taut body against mine. I could feel every excited inch of the girl through my own silver party dress, her hard nipples pressing into

mine, our breasts squishing together. Her heart was beating almost as fast as mine.

She reached up and ran her fingers through my long, shiny brown hair. I opened my mouth to say something more, to stop the madness. And she promptly closed it with her mouth, mashing her lips into my lips, swallowing up my words.

Her glossy red mouth moved hard and hungry against mine, wet and wild. Her sweet body spray flooded my frazzled senses like her hot body and lips were flooding the rest of me – with desire.

It was so weird, and so wicked, and so

wonderful. I forgot all about that jerk Paul – guys generally – and wrapped my arms around the little lesbian's body and held on tight, as she worked my mouth over with hers.

She suddenly pulled back, and we both gasped for air. She pushed my dress straps off my trembling shoulders, and the slinky gown fell down to my waist. My cupcake breasts heaved up and down, cherry-red nipples stretched hard with want. She grabbed onto my tits. I slammed back against the wall, her warm, smooth, clutching hands making me weak in the knees and wet in the pussy.

Looking up at me, she pushed my boobs together and stuck out the longest, pinkest tongue I'd ever seen, swirled it around one achingly jutting nipple, the other. I shuddered in her hands, ablaze with pleasure.

She lashed her tongue across both of my nipples at once, stiffening them and me still more. And then she sucked one into her mouth and tugged on it, did the same to my other wildly buzzing breast-tip. My head swum and my pussy overflowed.

She let go of my tits and her hands dropped onto my waist. She pulled my dress over my rounded hips and let it fall to the floor, as she went down on her knees. My sodden mound stuck out almost right in her face.

And as she breathed on my shaven snatch, as I fully comprehended the perverse reality of what was happening (and about to happen), I started having sober second thoughts. Paul wasn't such a bad guy, after all. He ...

She licked my slit. I almost jumped right out of my skin.

She licked me again, and again, dragging her tongue over my pussy lips. My flattened palms squealed against the metal wall. I quivered uncontrollably. The girl's tongue felt so awesome on my twat,

stroking absolute joy out of me. And when she parted my flaps and plunged into my tunnel, I could've shot through the ceiling.

She gripped my butt cheeks and bobbed her blonde head back and forth, fucking me with her long, hardened mouth-organ. It was pure, X-rated heaven. Her thumb found my clit, and rubbed, and it was utter ecstasy.

I wailed, "Ohmigod!" shaking with orgasm.

The girl knew more about pussy than any ten boys put together. I came so hard I clawed strips of paint off the wall, just about drowning the little blonde muff-diver in my gushing juices.

We ran into Paul when we were walking back to her place. He just stared at me, and I kind of waved, and she gripped me tighter around the waist. I was her bitch, turned lezzy on the end of her tongue.

Victoria

Classy Cunt

Being the trophy wife of the chief lawyer in the county was much, much harder than Victoria had ever anticipated. She hadn't realized how proper she was expected to be at all times and, ever worse, she hadn't realized how proper and unadventurous her husband really was until it was too late. Years had gone by since the day they said "I do" and they had even had the time to have a son who, by now, had grown into a young stud. Victoria was on the verge of taking her hot pussy and pounding it on a strange cock and her son's young, buff friends weren't making holding back any easier. She had wasted too many years playing it safe and she was ready to unleash her inner vixen.

When her son's best friend showed up half an hour early for movie night, she had to pounce. She had just enough time before her son would be home to show this young man just how sexy experienced pussy could be.

Victoria unleashed all of the needs that had been building up inside of her for years. She bounced up and down so hard, she thought she might hurt the stud.

Strong, young hands
pulling on her tits made
Victoria scream.

Her vanilla husband
refused to ram into her
doggy style, but one look
at her round, toned ass
and the young fuck didn't
have to be asked twice.

He lasted so long, she had to thank him
by covering her sexy face with his cum.
Now, it's on to the next...

Chelsea *Romping Revenge*

It had been a week since Chelsea had walked in on her husband riding his secretary's brains out on top of his office desk. She was a to the point kinda gal and she wasted no time listening to any excuses or apologies, she just kicked him out of the house. Having agreed not to tell anyone about the scandal with the secretary, her husband counted his blessings and left her their mansion as a thank you gift. He moved out immediately and now, Chelsea was alone for the first time in fifteen years. Feeling liberated, she was going to have some real fun and outfuck her ex.

Chelsea had no time to go out and meet anyone new; it was much easier to invite two of her much younger employees over. She had caught them staring on numerous occasions and if they wanted her pussy, they were gonna get it.

Being the hot slut that she was, Chelsea grabbed on to both cocks like a hungry animal. She needed them in her to survive.

Her husband had thought she wasn't enough of a filthy sex whore and boy, was he ever wrong.

All those lonely nights of watching porn were paying off. Chelsea was moving around like a real slut, handling the two rock-hard cocks pounding her like a pro.

She pumped hard and fast, switching between slit and star, all the while thinking she was putting her ex's lame desk sex to shame. She was going to have the last laugh, and the last cum.

Feasting on her success, Chelsea decided to have raunchy fuck nights way more often. Will you be her next victory?

Having watched her parents divorce and seeing all of her best friends get married only to split several years down the line, Veronica had never settled down. It's not like there wasn't a line of men begging her to be theirs, but Veronica decided early on that marriage wasn't for her. Now, living in a small, secluded town, Veronica was alone and lonely. She longed for the feel of a real cock inside of her and she was dying to taste cum other than her own. Movies and toys could only go so far. She needed to get laid, asap.

Veronica Rayne

Lonely and Wet

She knocked on her neighbor's door barely wearing anything. Her tits and clean pussy were dying to be shown off and she started her striptease right there on the patio. With an offer like that, how could he not invite her in?

One look at his hard, juicy dong and she was helpless. Her mouth watering, she gave her hot slit to him.

Veronica was crazy with lust. Without even thinking, she straddled him and pushed his cock all the way into her virgin star.

This old slut demanded it rough. She wanted her nipples pulled, her ass slapped and her holes fully stretched.

Veronica is back in the sex game and
there's no stopping her now...

Hunter

Family Cock Lover

Hunter wasn't a liar. She knew that everybody who saw her with her late husband knew the truth - she had married him for his money. He was much older and filthy rich, and after only a few years of marriage, he passed away, leaving her with an unbelievable inheritance. What the public didn't know, and what she had never admitted to openly, was that she had the hots for her late husband's much younger, much hotter son. He was over at their house all the time and whenever he would take a shower or dip into the pool, she would feel her thong get drenched. She had never done anything about it before but enough time had passed by now and her needs had to be fed.

It didn't take any seducing to get the hot stud in between her thighs, licking away at her pussy lips. She had been in his wet dreams for years.

Hunter was on the hunt - for cock. Her slit hadn't been attended to for far too long and as soon as his dick head touched her pussy, Hunter was moaning and panting with uncontrollable desire.

She was all woman and she needed her new fuck toy to know it. She clenched her back hole tightly around his shaft. It was so uncomfortable, she couldn't believe how horny it was making her all over again.

Hunter couldn't stop now. She had fantasized about his package for too long and she wasn't going to let it go any time soon. She had to coat him with her delicious love juice.

Swallowing the result of their sex,
Hunter had a feeling her widowed
years would be great ones...

Holly, Heidi & Brooke

Hungry for Pussy

Men are overrated! That's what Holly, Heidi and Brooke told each other one night during a bitch session about their selfish partners. The three best friends, who had known each other since they were five, were sick and tired of their boring sex lives. Holly and Heidi were both dating guys who were only concerned with their personal needs, while Brooke's husband was never around. And when he was, he would rather sleep than fuck his sexy blonde wife. The girls had played together for years as kids, and as adults, they shared everything with each other. Several martinis and vodka shots into their evening and the girls decided they were going to try a new kind of play. If their men were helpless in the sex department, they would give each other a helping hand, and tongue.

Locking themselves inside Brooke's husband's office, they dropped their clothes to the floor and showed each other just how wet they already were.

Starting things slow,
Holly's yummy DD boobs
were the first thing on
the menu. She shuddered
as her friends licked and
pulled at her hard nipples.

The moans and smell of sex filled the room fast. As Heidi expertly lapped and teased clits and pussy lips, her friends knew this wasn't her first lesbian fuck.

Pussy is what they
all wanted and
pussy is what they
got. Lips rubbing
against lips, clits
rubbing against
clits, the blonde
sluts were sop-
ping up a storm
and they greedily
tried to lap each
other dry.

The horny sexpots finished off with some finger fucking, deciding they might just include a real, thick dick in their next girlie adventure. Will it be yours?

Older Women Fantasies

800-730-3209
or visit www.enchantrix.com

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and essentially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong—I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex", I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better.
